2009 Annual Conference

The 223rd Recorded Annual Conference of the Church of the Brethren will take place at the Town and Country Resort in San Diego, California June 26-30, 2009.

Boise Valley:

- We will be acknowledging the High School graduates on May 31st. We have five connected with our church families.
- Our Tuesday Bible study began a study based on Psalms/Proverbs. This is 10 am. morning meeting.
- We welcomed a free consultation from a church architect firm on May 28th. They walked us through how to work at your dream (build a church) within today's economy: Never get in over your head, keep a close eye on the budget, keep it in the mission and spirit of your faith and in the community setting.
- We have had a number of grandparents reporting and affirming new additions to families.
- We continue to pursue our volunteer financial campaign.. "Miracle of The Stars" which continues to grow.
- We have some eager campers looking forward to Camp Stover again.
- Donations have been coming in for the Disaster Ministries auction from our families.

Bowmont:

- April was a very full and blessed month for Bowmont. The Lord sent 50 kids to the Easter Extravaganza to hear the true Easter message and have fun with crafts, snacks, a petting zoo and a huge Easter Egg Hunt.
- This spring we have been selling spring bulbs and had a Spaghetti Dinner community outreach and fundraiser on April 25th. It was a huge success. Many thanks go out to Jean Darr for organizing and coordinating this huge undertaking and to the Saddle Tramps 4-H club for serving.
- On May 3rd two of our Church family were baptized. What a blessed day!

Community Twin Falls:

- The Youth still meet on Thursday evening and have started the Alpha Series, to be completed just before camp. The Tuesday evening dinner and Bible Study have finished Genesis and Exodus and have started the Alpha series. For Sunday School we will be starting a Peacemakers series led by Gary Love.
- We had an Easter Breakfast prior to church; the men prepared and served a Mother's Day lunch following morning worship on May 10th; a movie night showing "Prince Caspian" was held on May 15th; and a work day was held on May 16th with the Hispanic church members helping out to spruce up the outside and inside of the facility.
- In June a game night is planned for June 5th, and a Father's Day Chili Cook-off prepared by the women of the church for the men; we will host an Open House for the surrounding community on July 3rd with the possibility of a band, car show, barbeque, and children's activities; Vacation Bible School is scheduled for August 5-8 in the evening; and a movie night is planned for August 21st.
- We were recently given the organ that Lois Barrington used at home, which will enhance the morning worship service. Lois was an important part of the church service with her organ playing for many years and it is very special to have her organ in our church.

Fruitland:

- In May, Fruitland continued to Rise and Shine in 2009 as we ministered to Wellsprings Assisted Living Center each Sun. afternoon, our men cooked and served a delicious meal for our Ladies Night Out Dinner and Comedy, our Women's Fellowship completed a quilt for donation to the Disaster Auction. Members of the church family supported Camp Stover clean-up weekend and attended Soul Cafe at Mountain View for a wonderful evening of fellowship and food!! Pentecost Sunday was an opportunity for the church family to wear red as we celebrated birthdays of the church family and shared in communion. Our Kids 4 Christ celebrated the beginning of summer with a BBQ party.
- The Lord is opening doors for us in June as we begin vacation Bible School with our Kids 4 Christ club, support the Disaster Ministry Auction, continue with our third Sunday pot lucks and anticipate Annual Conference in San Diego!
- We have been blessed to have received an invitation from our friends at West Valley Methodist Church and Highway Worship Center to celebrate worship with them and the community via a concert in the Fruitland park on July 5th!

Mountain View

- Discussion is underway regarding the field behind the church property with the Elder Board and planning committee exploring options.
- June 13 is Free Fishing day and Deacons will be taking some fishing that day.
- Mt. View is gathering articles to be sold at the Disaster Ministries Auction on June 13.
- District Prayer Commitment is being fulfilled as Mountain View has been remembering the Boise Valley Congregation in prayer over the last several months. We deeply appreciate the prayer support of the Fruitland congregation during this prayer commitment time.
- Wanda Travis and Rob Lee will represent our church at Annual Conference June 26-30 at San Diego.

Nampa:

- Camp Stover work campers will be welcomed on June 14 to a cookout hosted by the Nampa church. District invited.
- A prayer shawl ministry sponsored by our Women's Ministry continues to bless members and friends of the church.
- An Antique Car/Tractor show on May 9 provided a wonderful opportunity to witness to the community.
- Our Father-Son banquet will be held at the church on June 6th @ 6:30pm with the theme: "Doing the Hard Thing."
- "Crocodile Dock" is the theme of this year's Vacation Bible School at Nampa, July 27-31, 9 a.m. to noon.

Senior Youth Work Camp Returns to Camp Stover ~ June 14-20

A national work camp is once again scheduled at Camp Wilbur Stover, and on June 14 twenty young people from all over the USA will arrive in Idaho to begin work. They will be painting, clearing brush, splitting wood and generally helping get the campground in shape.

These youth pay \$325 plus their plane fare to come to Idaho to work for a week. As we have done in the past, we would like to reward their work with a Payette River rafting experience, and are seeking sponsors for the raft trips at \$45 each.

A barbeque hosted by the Nampa church to welcome the workers will be held on the evening of June 14. The district is invited. If you are able to sponsor a raft trip, please come to the cookout

2010 Annual Conference Moderator to Visit Idaho District

Word has recently been received that **Shawn Replogle**, pastor of the McPherson, Kansas, Church of the Brethren and Annual Conference Moderator-Elect, will visit the Idaho District with his family early in June. The Replogle family will make a stop at the Community Twin Falls Church on June 10 and arrive in the Boise Valley to participate in the Disaster Ministries Auction on June 13. They will worship with one of the Idaho congregations on Sunday, June 14, attend the Work Campers' cookout at Nampa that evening, then hope to experience some time at Camp Stover before going on to Annual Conference in San Diego.

The "Good News" page is becoming more crowded and condensed as you are sharing more and more of the wonderful events and news of the Idaho congregations. Due to space limitations, it has been necessary to edit some of what you send to allow space for each church to share. My apologies if any of what you feel is most important has been omitted.
